### City Dads Hit Bid to Visit

pledged" the mayor's single-handed action in inviting him here.

Ilsen said that he had directed the invitation to Secretary of State Christian Herter, and not to the Soviet boss. He defended his action by saying that if the President believes the visit will serve a useful purpose, Torrance will be "an example of capitalism at its best."

Ilsen claimed that the comment he received on his invitation ran 10-1 in favor.

"As repugnant as this (the visit) is, if it stops the cold war and saves peace, I'm for it. The invitation does not mean cordiality or friendliness," he added.

"I still don't like Khrushchev here," grumbled Bradford as the subject was closed.

## AN OPEN LETTER...

To the residents of Palos Verdes Estates, Rolling Hills, Hollywood Riviera, Torrance, Watteria, Inglewood, Hawthorne, Gardena and surrounding communities. Descendant of a long line of European tailors, Tine's, "the tailor," announces plans to enlarge his Watteria store. Some twenty years ago, Tine's opened his first shop in Long Beach, introducing a new concept into the field of men's clothing. Tine's policy is to make up a select stock of ready-for-wear from his own bolts of imported fine wools. His ready-for-wear suits and sport coats have the same exacting and meticulous details usually found only in tailored to measure clothes. These fine summer and new Fall clothes are now offered for sale at disposal prices to expedite the remodeling program. Entire stock of clothes must be sold before the cabinet makers can get on with the job of remodeling and enlarging the selling space of his store.
